Phonological Awareness Webinar

Guest Speaker: Wendy Lee

Wed 18th October 2023 | 3.30 - 5pm

What is Phonological Awareness?

How do these skills link to reading and speech development?

Could your children struggling with phonics have difficulties with underlying phonological awareness?

Join speech and language expert, Wendy Lee and explore the evidence around the need of explicit teaching of these skills for some children and what this looks like in practice.
