

# PRIMARY COMPUTING CLUSTER MEETING & MICROBIT TRAINING

Friday 23rd February 2024; 13:00 - 15:30

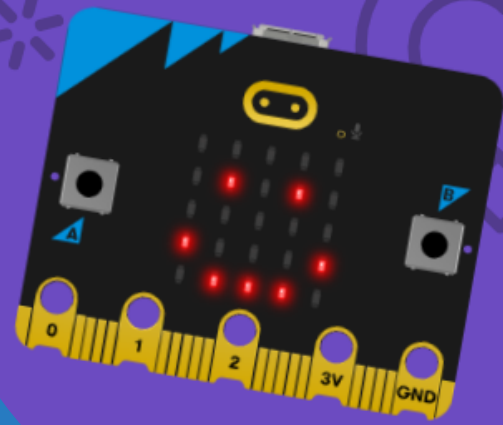

Aspire Academy Trust, Unit 20, St Austell Business Park,  
PL25 4FD

All primary staff welcome to join this face-to-face cluster meeting for Computing.

- Build confidence & expertise, hands-on with Microbits
- Reflect on current practice and resources
- Develop your curriculum improvement strategically

Bring easy-access programmable hardware to primary age children. Grab the opportunity to gain hands-on training with versatile Microbit equipment.

Delivered by Jacob Woolcock (Penpol Primary) & Giles Hill (Digital Learning Cornwall / Aspire) - together heading up the Cornwall curriculum cluster.

## OPEN TO ALL!

This session is open to all primary level teachers or teaching assistants who have an interest in using this exciting equipment, alongside development of the Computing curriculum.

- Cornwall Council curriculum cluster meeting
- Key hands-on training using Microbits at primary level
- Practical curriculum understanding to help improve the subject in your school
- Featuring references to newly revised, free teaching units
- Free to attend event with refreshments and all equipment supplied
- Bookings click [www.schools.cornwall.gov.uk/Event/180949](http://www.schools.cornwall.gov.uk/Event/180949) or use QR code above
