# What is The People Hub?

The Cornwall & Isles of Scilly People Hub is your new one-stop shop for information, advice and guidance on finding employment and training opportunities, as well as linking people with support with housing, debt, and mental health.

The People Hub is an innovative combination of technology and personal support to provide practical support and information to enable people who are currently unemployed or inactive resolve the key issues that may be preventing them from moving on in life.

The People Hub is part funded by the European Social Fund and has four delivery partners: Konnect Communities, Hi9, SmartMatching, and the Council of the Isles of Scilly.

Anyone in Cornwall and the Isles of Scilly who needs support and advice because:

- You're unemployed and wondering what options are open to you
- You're out of work and looking to retrain or develop new skills
- You've recently been made redundant and want to get back into work or training
- You are looking for help with moving forward but aren't sure what support is out there or where to look

The People Hub run an information line, where our Connectors are on hand to provide free and confidential information, advice, guidance, and they can also support individuals looking to get back into work, employment and training.

# Who is The People Hub for?

# How can The People Hub help you?

Your Connector will talk through your issues and offer you information, advice, and guidance regarding work, employment, and training.

The People Hub work closely with lots of organisations across Cornwall and the Isles of Scilly, meaning our Connectors will also be able to signpost you to organisations and projects with specific expertise that can help you move forward.

They can offer you peace of mind, a chance to share your concerns, and reassurance that there is support out there.

## Our Delivery Partners:

### Konnect Communities

Using their expertise in engaging communities, Konnect provide personalised mentoring support alongside their Choices course to enable people to see beyond their limitations and maximise their potential.

### Hi9

Hi9 are delivering innovative Audio Digital Assistants and ChatBots to support people out of work with accessing the information regarding provision and support.

### SmartMatching

SmartMatching will be providing training for participants to build skills and confidence in accessing a wide range of remote work, as well as develop and provide a Smart Matching portal for The People Hub participants.

### The Council of the Isles of Scilly

The Council of the Isles of Scilly will be delivering The People Hub project on Isles of Scilly to support people out of work into employment, education and training.
