Non school uniform day

Funds raised to be DOUBLED
and used to make school
residential more accessible

Dear Parent/Guardian

Our residential provider BF Adventure has offered us the opportunity to partake in a non-uniform day on [date].

The goal is to raise funds (with those who can, donating £1) which will be donated to their Big Give Christmas Challenge Campaign. The Campaign sees all donations being DOUBLED with the help of trusts and individual pledgers. **The funds raised from this event will be ringfenced to subsidise pupils receiving free school meals* to join their fellow pupils on BF Adventure's day trips / residential.**

***Currently limited to 2 x individuals funded @ 50% Bursary funding per school group booking. This will increase with available funding and BF Adventure is raising funds from multiple sources to support this.**

There is an optional suggested theme of wearing something outdoorsy / green / adventurous for the day.

We hope your child will be able to join in the fun and we look forward to opening up opportunities for pupils to enjoy the excitement and life-long memories that residential bring. If you have any questions, please contact [details].

Finally, if you would like to initiate your own fundraising (e.g. dress-down Fridays in the workplace tend to go down well!) - then please contact BF Adventure by emailing eleanor.devenish@bfadventure.org.

Yours Sincerely
