9.30am – 10.00am Arrive, Tea and Coffee

10.00am – 11.15am Session 1 – Principles of Leadership

This session will explore some of the characteristics of high performing leaders in high performing teams, what behaviours and relationships look like in these teams, and how individual accountability, and a cadence of accountability across the team, blend together to bring about seismic shifts in performance.

11.45am – 1.00pm – Session 2 – Improving Schools

This session will consider what is important in our schools and how these things can be blended to create a narrative of classroom excellence. There will be an opportunity to consider a case study of school improvement and review some of the procedures and resources that underpin the improvement.

The first half of this session will be led by Ben Parnell, CEO at Athena Trust, and will explore 'getting your priorities right' and looking at how and what to prioritise when developing a performance culture in a school.
