

## Education Welfare Support SLA

Our Education Welfare SLA gives schools experienced, high quality support to help all pupils meet their full potential by establishing effective working relationships between parents/carers, children and schools. As each pupil is unique, we work closely with our schools to ensure that suitable, individualised provision can be accessed, reflecting their often complex needs.

Why purchase an **Education Welfare SLA**?

### Easy to use:

Access to our Knowledge Base empowers schools to 'self-serve' from a curated central store of information, best practice and updates.

### Best value:

Support hours can be used as your school and pupils require, ensuring you receive as little or as much help as needed.

### Quality:

Our team works as an extension of yours, delivering high-quality advice and targeted Officer support, including undertaking home visits.

## What's included as standard?

- **9 hours** of targeted Education Welfare Officer Support
- Access to the Education Welfare Knowledge Base
- Access to the Education Advisory Service Self-Service portal

## What's included for Hosted SIMS SLA schools as standard?

- Centralised data analysis and storage
- Education welfare actions stored on the pupil's SIMS profile
- Data at your fingertips: our EWS dashboard is added to your SIMS home page to quickly report on Education Welfare actions

## Optional Extras

Additional hours of support at a discounted rate

## Education Welfare Knowledge Base

Our Education Welfare Knowledge Base contains a wealth of information and resources, provided to support continued development of good practice in your school. The guidance available ensures your practice always remains at the forefront of educational developments, focusing on effective safeguarding and reflects the ongoing updates in the wider education context.

## Self-service Helpdesk

Our self-service helpdesk ensures a speedy response to any queries regarding individual pupil or whole school applications. In addition to this, our standard package also includes 9 hours of dedicated Education Welfare Officer time, to ensure you receive consistent, targeted and bespoke welfare support in school. Your Officer will fully document their actions and recommendations, to assure your provision is Ofsted ready and all actions are fully evidenced.

Additional Officer time is available to SLA customers via a discounted hourly rate and applied as needed, ensuring you never buy time you may not use. Examples of Officer support could be home visits (where allowed), welfare checks, attendance clinics, meeting attendance, data analysis and action planning or legal work (where appropriate).
