

Team-Teach with Wave MAT

Team-Teach provides a whole setting holistic approach to positive behaviour strategies within schools enabling staff to feel more confident and competent in their management of disruptive and challenging behaviour.

Wave MAT run open Team-Teach accreditation courses for school staff throughout Cornwall and Devon. The courses cover personal safety, team building, de-escalation communication strategies and positive handling techniques, recording, reporting and legal guidance. It is central to the Team-Teach training that all methods of de-escalation are attempted prior to a positive handling technique being used. The training consists of practical and theory elements, with basic courses taking place over two days, and refresher courses over one day.

We have just published our course dates for 2019/2020 so if you would like to book onto one of our open Initial or Refresher courses, please visit our website: <https://wavemat.org/team-teach-training>

To arrange a closed course at your setting, contact our Finance department: finance@wavemat.org or 01209 211525
