## Primary languages cluster

**Save the Date for the next meeting! Tuesday 24<sup>th</sup> February 2024 1.30-4.30pm (venue tbc).**

The successful primary subject clusters, led by expert subject practitioners from across both primary and secondary phases in Cornwall, have just completed their autumn term meeting and are hosting face to face meetings in the spring term.

The languages team have identified a series of outcomes for their sequence of meetings supported by the online tool padlet. These include: -

- providing insight into how we can create an ambitious curriculum through collaboration and sharing of good practice between schools
- facilitating International Exchanges and/or projects to give extra purpose to language learning in your setting. (see more using the QR code)
- collaborating and share new innovative ideas with colleagues
- providing a communication and support network between language coordinators in the Duchy, both old and new!

To find out more, please contact the Languages Cluster Leads:
