# The World Education Summit Themes

 <b>Impact</b> Strategies. Approaches. Research. All with proven impact on student, teacher and leader learning	 <b>Values - An Inclusive World</b> One World Values rightfully elevating diversity and equity, and reducing unconscious bias
 <b>Digital</b> Never before has the Digital World been so critical to learning. It is crucial to bridge the gap between technology and pedagogy	 <b>Culture</b> Embrace cultures from around the world and nurture the heritage, conditions and wellbeing of your people so schools can thrive and lives can change
 <b>Cognition</b> The Science of Learning. The complex webs and structures of knowledge, memory, habits of thinking, metacognition and models for learning design	 <b>Curriculum &amp; Assessment</b> What makes a world-class curriculum? New takes on classic debates – Assessment of or for learning?
 <b>Implementation &amp; Evaluation</b> Applied to School Improvement and Scalable Systems. Effectively evaluate and know what to measure	 <b>Access &amp; Readiness</b> From mental health and well-being to SEND learning strategies and approaches. Opening up educational access for every student
 <b>Inspection &amp; Turnaround</b> Accountability must not dictate the educational agenda – but it is important. It has currency. How do you make your school outstanding in the true sense of the word?	 <b>Talent Development</b> Identify and attract the best teachers and leaders for your school. Nurture and support their progress and ambition through experiences

## 365 Days of Professional Learning

## Legacy of Learning with Impact

Each ticket gets 365 days of access to all of the content at the Summit on a bespoke professional learning platform.

- » Every session from the Summit is unpacked and available on demand so you don't have to miss a minute. So you don't have to worry if you can't make all 4 days.
- » Get practical activities, resources and further reading to help you embed the latest practice at a pace that suits you.
- » Navigate the content by theme to create a professional learning schedule that covers you for a whole year.
- » Pathways for teaching assistants through to senior leaders ensuring everybody gets the support to take their practice to the next level.

**Create a legacy of learning at your school.**

## How this can work for your school

- » Attend the Summit live event (this could be only senior leadership to minimise costs of cover)
- » Plan a schedule of professional learning for the year on the state-of-the-art platform
- » Monitor all staff progress as they work through the sessions and activities
- » Get advice and support for further implementation models
