

Behaviour Support SW

supporting social, emotional and behavioural needs

About

Behaviour Support SW advises and supports the social, emotional and behavioural needs of children within a primary educational setting.

As an experienced Senior Behavioural Support Worker and Thrive Practitioner, I am able to work closely with pupils, staff, parents and carers to assist in the development of behavioural management plans, strategies, policies and staff development to address challenging behaviour.

I have 17 years of experience working in primary school settings in differing capacities. Over the past 14 years my role has been as a Senior Behaviour Support Worker for Cornwall Council covering schools in the West of Cornwall.

Services

- Individual casework and reviews through observations of behaviour and interactions within the classroom setting.
- Written reports of advice and strategies to reduce difficult behaviour, this may include; individual and whole class behavioural management strategies, emotional development plans and stress management techniques.
- Support with the use of assessments including Boxall Profile and Thrive where appropriate and writing of action plans.
- Support in developing Nurture provisions.
- Strategies for classroom support for the diagnosis of AS/ADHD/Sensory needs.
- Transition between key stages or from year to year.
- 1-1 behavioural support with individual children.
- Surgery for staff to discuss issues and concerns with the aim to ultimately empower staff to support and make change in the classroom.
- Tactical advice and support available to staff through email or telephone.
- Tracked progress and assessments presented in data form to support school tracking and effective use of resources.
- Attendance to relevant TAC, PSP, CIN, CP and Annual Review meetings.
- Delivery of staff training in the promotion of a good SEMH environment.
- Behavioural Support SW is a non-judgemental service that understands the difficulties and challenges that life presents for modern families.

Service Fees

Half Day	Full Day
£125	£200

Behaviour Support SW services are offered on a half day or full date rate only.

Support sessions can be purchased singularly or in blocks for example;

5 full days of support can be bought and used as 10 half days over a term period as required.

Fees must be paid in advance and are non-refundable.

If you wish to make a referral for a student who requires support please complete a referral form with parental consent and return via email.
